March 25, 2024

Dear Parents,

Only 10 weeks of School left! Our summer program begins June 3, 2024. We are planning 12 fun filled weeks, packed with spirit led chapels, Bible lessons, crafts, sports, and many more fun activities.

Summer re-enrollment begins on Monday, April 15, 2024. Attached is a daily activity list, summer enrollment form, summer contract and a supply list. We are looking forward to a great summer. We are here to serve you. Ideas and suggestions are always welcome.

We will be limiting the number of students we accept for summer; therefore, it is crucial that you turn summer enrollment in ASAP.

If your child hasn't been at LCDC since last summer, you must either fill out a new emergency card or complete the annual update on last years. We now require an updated copy of all children's immunizations each year.

As in previous years' parents need to apply sunscreen in the mornings. We are now required to have a parent fill out a Topical Sunscreen Form to allow daycare staff to apply sunscreen.

Attached is the required form. If your child has not had one of the brands listed or has an allergy or sensitivity, please send in a bottle (labeled with child's name) of his/her own sunscreen to leave at daycare.

We are implementing a 'No Electronic Policy' for school age children, including phones this year. It is too difficult for us to supervise what sites children are getting on. If your child needs to reach you, he or she may call from the daycare line. If you need to get a message to your child, you may call 301-777-7689.

We also have implemented a "No Idle" policy. Please turn cars off when you get out of them to pick up or drop off children.

Don't hesitate to ask if you have any questions or concerns.

God Bless,
Cathy
