### Note from Nurse Mandy

Hello, LCA Families,

I need to have either a vaccination record or vaccination exemption on file for your child before September 30. Any child who does not have this on file will not be able to attend school after October 1. If you need an exemption form, you can call the school. We will send one home; we also have them in the main office. Vaccination records can be faxed directly from the doctor's office to the school at 301-777-3497.

Blessings, Nurse Mandy
